

TheoTRADE 3-Month Mastermind

With Blake Young

Welcome to the mastermind. We have 12 sessions in which we will adapt to the group needs. We will be building out a clear concise approach to the markets, honing in the skills you will learn and applying the techniques I will be teaching.

In preparation for the mastermind, please respond to this short survey and make sure you have seen or reviewed the classes, which offer the foundation to what we will be doing.

I look forward to going through the techniques and methods I have developed over a 20-year time period and know we can learn, share and have some fun. Come ready with an open mind and focus to cover all the topics we have ahead of us.
